

There is a feeling that comes with discovering the perfect piece for a room—a piece that speaks to your personality, your taste, your style—creating a look that is yours and yours alone. The Artifacts™ collection embodies this feeling.

Inspired by turn-of-the-century charm and backed by the integrity of Kohler Co., each piece in this singular collection is like a vintage treasure rediscovered in a street market or antique shop. In your hands, Artifacts can complete the look of a room—or it can become the centerpiece to build an entire room around.

The Artifacts faucet and accessory collection by Kohler—**uncover a wealth of possibilities.**

we invite
you to play

Combine a spout, handles and faucet finish to
create a look all your own in three simple steps.

Artifacts™

uncover a wealth of possibilities

1. Choose your spout

2. Choose your handle

3. Choose your finish

The beauty of the Artifacts™ collection lies in its elegant and timeless styling. From casual to formal, Artifacts is at home in any décor—giving you the freedom to interpret the collection any way you wish. What's more, the spouts, handles and finishes match with accessories and bathing and showering components across the collection, bringing the entire room together in one complete look.
